World Class Automotive Electronics Product Manufacturing

MEET US AT electronica 2026
Messe München, Munich, Germany
10 - 13 Nov 2026 | Hall A1 | Booth 339/3

ABOUT NAPINO

Napino is a technology conglomerate in the automotive electronics industry and a Tier 1 solutions provider to global OEMs. A USD 300 Million group with renowned technology partners , we are rapidly growing across the world.

Built on three pillars — strong processes, quality systems and people competencies — Napino designs modern mobility solutions, backed by in-house R&D and manufacturing across India.

9 Manufacturing Plants	**4** R&D Centres
1 Corporate Office	**1997** Founded

PRODUCT SEGMENTS

Auto Components

ICE / BEV

EMS

ODM Services / Box Build

IoT Applications

Telematics / Connected System

Consumer Electronics

Controllers / Display

TRUSTED BY
Valeo, Mahindra, Tata, Bajaj, Hero, Honda, Yamaha, Royal Enfield, Maruti Suzuki, Hyundai, KIA, Ola Electric, Ather, TVS, Volvo, Ashok Leyland, Eicher, Kubota, John Deere and many more

GLOBAL PARTNERSHIPS

- **Aumovio (formerly Continental), Germany** - Instrument clusters
- **Schaeffler (formerly Vitesco), Germany** - EFI systems for 2W
- **Renowned Partner** - 4W switches: design & manufacturing
- **Powerland, China** - Battery charger
- **Shindengen, Japan** - Vehicle electronics
- **EVR Motors, Israel** - TSRF technology
